

DEPARTMENT OF PHYSICS
CONFERENCE

S.No	Date	Resource Person & Designation	Topic	No. of Beneficiaries
1	10.12.21	Dr. S. Varadharajaperumal Technology Manager, Micro and Nano Characterization Facility (MNCF), Centre for Nano Science and Engineering (CeNSE), Indian Institute of Science, Bengaluru, India	Fabrication and Characterization of Nanomaterials	188
2	27.1.21	Dr. Suresh Kumarasamy Post Doctoral Research Fellow, Department of Physics & Astrophysics, University of Delhi, New Delhi	Modeling extreme events in natural and engineering systems	221
3	26.9.19	Dr. S. Rajagopal Assistant Professor of Physics, School of Sciences, Jain University, Bangalore.	Hybrid Materials and Medical Applications	219
4	06.02.19	Dr. R. Ramesh Babu, Assistant Professor of Physics, Bharathidasan University, Trichy.	Recent Advanced Materials and Applications	222
5	02.02.18	Dr. N. Vijayan, Senior Scientist, CSIR - National Physics Laboratory, New Delhi.	Recent Trends in Materials Science	88
